

# Winter Holidays

## Holiday Live!

1. Write and perform a skit about the holiday memories that bring you joy. Don't forget to include your favorite holiday props.
2. Write a song about the upcoming new year. Include thoughts and ideas to ring in the new year. Perform your song for others.

## Holiday Game

1. Make an indoor or outdoor hopscotch. In each square, draw or write something that relates to the traditions of a holiday.
2. Make an "I Spy" travel game. Brainstorm things you see during the holidays, and then write and draw them on your game board. Bring the game board with you on one of your holiday car excursions.

## Holiday Art

1. Cut holiday designs in paper bags, and make a set of festive luminaries.
2. Do you celebrate a special holiday? How does it make you feel? What traditions are meaningful to you? Create a collage or visual journal that shows what the holiday means to you.
