

Summer's End Logic

Read the twelve clues below to determine which summer activity each person enjoyed.

	Frankie	Annette	Bobby	Shelley	Brian	Dennis	Coral
Made ice cream							
Had a water balloon fight							
Had a backyard campout							
Collected baseball cards							
Went zip lining							
Made \$25.00 selling lemonade							
Read 10 library books							

1. Coral did not make any money over the summer.
2. Frankie and Shelley gave their friend baseball cards for her collection.
3. Annette and Frankie are neighbors.
4. Bobby, Shelley, Dennis and the person who read 10 books went fishing.
5. Coral and Dennis are scared of heights, so they did not accept this girl's zip lining invitation.
6. Brian, Shelley and Bobby ate three scoops of their friend's homemade ice cream.
7. Frankie did not participate in Dennis's water balloon fight.
8. Only three people were invited to Annette's backyard campout.
9. Shelley and Brian made all their summer money mowing lawns.
10. Coral does not like sweets.
11. Brian does not follow sports.
12. Frankie and Coral do not have library cards.
