

## Recipe: Creativity

Prep Time: varies

### Ingredients

1 cup experimentation  
½ cup humor  
2 cups ideas  
1 cup imagination  
1 cup mistakes  
1 cup observation  
½ cup passion  
½ cup patience  
1 cup perseverance  
½ cup risk

Solitude and/or  
collaboration to taste

Sprinkle of inspiration

### Directions

1. Prepare your mind and work space as needed.
2. Place 2 cups of ideas in a large baking dish.
3. In a large bowl, blend 1 cup each of imagination, observation, experimentation, and mistakes along with ½ cup of passion, patience, and risk.
4. Smooth blended mixture over ideas and let marinate until ready.
5. While the ideas are marinating, make the perseverance sauce.
6. Combine 1 cup of perseverance with ½ cup of humor. (Use more humor if needed.)  
Add solitude and/or collaboration to taste.
7. When ready, pour the perseverance sauce over the idea base.
8. Sprinkle with inspiration.

(You can add just about anything to this basic recipe. Use flexibility and intuition to make it your own.)
